Dear Valued Customer,

You have requested an inscription to be placed on an existing monument. We have a Contractor who will go out to the cemetery and complete this order.

The current price is \$150.00 Per Date Of Passing. For bronze or other inscription requests prices will vary.

The average timeline for completion is 120 days estimated. Our contractor sets his own schedule and notification is not available prior to the work being done. Our contractor cannot work in adverse weather and risk damaging the stone.

Attached is our Inscription Order Form. Please fill it out completely and Email or Mail it back to us. (P.O. Box 185 Cushing, Tx, 75760) If paying by check please make it out to Clyde Partin Monument.

If the 120 days has elapsed or you want to check the status of your order you must email reliablemonserv@yahoo.com or call Paul (936) 221-6950 to receive any updates. Once the contract is given to the contractor, we will not have any progress information at Clyde Partin until it is completed and returned to us.

Please keep this page for your convenience and only send the attached inscription worksheet.

Thank You.
